## Overtime Analysis

Overall city overtime is at 30.03% of the 2014 budget. Overtime expenditures for April are on target with the 2014 budget although running a bit high in several departments. We have followed up with the departments to make sure there are no budget concerns that need to be addressed. All departments have provided explanations and have indicated that overtime will level out for the remainder of the year. It is important to note that a portion of the Police overtime is funded by the DEA. We have noted this below along with other grant funding we receive for overtime.
