Weekly/Monthly Activity Report for November 11<sup>th</sup>, 2017 – November 19<sup>th</sup>, 2017

Monthly Activity Report through October 2017

<b>Goals</b>	
<b>1. Improve overall health and wellness of employee's</b>	
a) Voluntary workouts are currently ongoing	91%
b) The wellness and fitness policy is in the revision process	90%
c) My plan was to purchase additional workout equipment this year, but due to the FD capital budget freeze we will not purchase that equipment this year	0%
d) Firefighters completed their 2017 health and wellness physicals at SSM Health in September.	100%
<b>2. Fire Command Staff Collaboration</b>	
a) Governance by-laws complete, financing model complete	100%
b) Operations Committee has a draft operational model complete	100%
c) Communications Committee has developed materials for release of information to all groups.	100%
<b>3. Shared Training Program</b>	
a) The Shared Training Program is operational and continuing to provide training to all members of group.	91%
b) Live burns were conducted at the end of October. Multiple drills were conducted using the city owned homes in late October and early November.	95%
<b>4. Improving the knowledge of emergency preparedness for the management team through improved training.</b>	
a) A two hour table top exercise was held on August 14 <sup>th</sup> to review procedures for the upcoming Brentwood Days event in September. All Mgmt. team attended.	100%
b) The city wide emergency operations plan is under review at the St. Louis County Department of Emergency Mgmt.	90%
<b>5. Improve operational readiness through additional training in the following disciplines;</b>	
a) November training includes; live burn training, forcible entry and entrapment training in the city owned homes.	45%
b) December training may include; Trench training for the fire and Public Works Dept.	0%
<b>6. Maintain our ISO rating by continuing to improve documentation and record keeping in our Emergency Reporting System.</b>	
a) We're now using a training tracking software called Target Solutions regularly in order to provide training and to manage training hours. The new system provides training programs that are built into the system for classes such as harassment, drivers training, safety etc. The system also tracks all of our certifications, license expirations, ISO training points etc.	100%
