Brentwood Fire Department
Weekly/Monthly Activity Report for June 12th, 2017 – June 18th, 2017
Monthly Activity Report through May, 2017

Goals	
1. Improve overall health and wellness of employee's	
a) Voluntary workouts are currently ongoing	40%
b) A committee chairperson has been selected, and is working on choosing employees to participate creating a draft policy that encompasses our plan for required daily workout activity	30%
c) My plan was to purchase additional workout equipment this year, but due to the FD capital budget freeze we will not purchase that equipment this year	0%
2. Fire Command Staff Collaboration	
a) Governance by-laws complete, waiting on financing model	90%
b) Operations Committee has a draft operational model complete	100%
c) Communications Committee has developed materials for release of information to all groups.	100%
3. Shared Training Program	
a) The Shared Training Program is operational and the first training was completed in March.	41%
4. Improving the knowledge of emergency preparedness for the management team through improved training.	
a) Assistant Chief Cottrell attended a 2 day class on Bio terrorism last week at St. Louis University. The class was sponsored by the FBI and CDC	35%
b) Mgmt. Team, plus additional staff attended emergency mgmt. training at the St. Louis Co. EOC in March	20%
c) Chief Kurten and A/C Cottrell are working collaboratively on updating the city emergency plan with the police department.	30%
5. Improve operational readiness through additional training in the following disciplines;	
a) IAFF, IAFC Firefighter safety and survival course is being held at BFD for Brentwood, Clayton, and Maplewood crews. Instructor was Jason Hildebrandt	75%
b) A 40 hour rope rescue training and certification was attended by Capt. Erschen and FF/Medic Youngblood this past week at West Co. EMS and Fire.	100%
c) Trench training is being planned for later this year	0%
d) Water rescue training was attended by all personnel at the Maplewood pool in May.	90%
6. Maintain our ISO rating by continuing to improve documentation and record keeping in our Emergency Reporting System.	
a) Chief Cottrell is working with Company Officers to improve and increase data entry into our reporting system.	40%
b) We are implementing a new training management software system known as Target Solutions. The new system provides training programs that are built into the system for classes such as harassment, drivers training, safety etc. The system also tracks all of our certifications, license expirations, ISO training points etc.	35%
c) A revised building inspection plan is currently being implemented. We are moving to a two year plan for completing building inspections. During the two year process we'll be implementing building pre plans, maps, and photos of each building we inspect.	30%
