Monthly Activity Report through July, 2017

Fire (Fire calls only) 3:05 3:40 < 5 min 90% of the time 100% 100%

Goals		
1. Improve overall health and wellness of employee's		
a) Voluntary workouts are currently ongoing		58%
b) A committee is working on creating a draft policy that encompasses our plan for required daily workout activity		75%
c) My plan was to purchase additional workout equipment this year, but due to the FD capital budget freeze we will not purchase that equipment this year		0%
2. Fire Command Staff Collaboration		
a) Governance by-laws complete, financing model complete		100%
b) Operations Committee has a draft operational model complete		100%
c) Communications Committee has developed materials for release of information to all groups.		100%
3. Shared Training Program		
a) The Shared Training Program is operational and continuing to provide training to all members of group		58%
4. Improving the knowledge of emergency preparedness for the management team through improved training.		
a) A two hour table top exercise was held on August 14 th to review procedures for the upcoming Brentwood Days event in September. All Mgmt. team attended.		100%
b) Chief Kurten and A/C Cottrell made updates to the city's emergency plan in conjunction with the Police Department.		100%
5. Improve operational readiness through additional training in the following disciplines;		
a) September training will include foam operations, confined space rescue, and driver operator training.		0%
b) Auto Extrication, and NFPA 1410 training are wrapping up in August		80%
c) Trench training is being planned for later this year		0%
d)		0%
6. Maintain our ISO rating by continuing to improve documentation and record keeping in our Emergency Reporting System.		
a) We met with our ISO evaluator in August to review for our upcoming evaluation in September.		58%
b) We're now are using a training tracking software called Target Solutions regularly in order to provide training and to manage training hours. The new system provides training programs that are built into the system for classes such as harassment, drivers training, safety etc. The system also tracks all of our certifications, license expirations, ISO training points etc.		80%
c) A revised building inspection plan is currently being implemented. We are moving to a two year plan for completing building inspections. During the two year process we'll be implementing building pre plans, maps, and photos of each building we inspect.		58%
