Brentwood Fire Department
Weekly/Monthly Activity Report for December 12th, 2016 – December 18th, 2016
Monthly Activity Report through November, 2016

12/19/2016

- This past week interviews were held for the Shared Training Officer position. Three candidates were interviewed and evaluated. Two candidates were from Clayton, and one from Maplewood. We were happy to announce the new Shared Training Officer is Captain Jason Hildebrand from Clayton Fire Department. Jason has formally accepted his new position of Battalion Chief of Training, and will begin in late January. Jason will be working out of Brentwood's engine house until the completion of the new Maplewood fire station in late spring / early summer of 2017 and then he will be relocating to Maplewood. Jason will be providing training at all three cities engine houses, but his office will be at the Maplewood facility.
- Saturday December 17th, Assistant Chief Ronnie Cottrell returned home from a week long training opportunity at the National Fire Academy in Emmitsburg Maryland. The National Fire Academy fully funds classes by providing no cost instruction, travel, and housing. The only cost to us is meals. Chief Cottrell was selected to participate in a week long course in Command and Control of large scale incidents. This was the first of several classes he will be participating in to achieve his certification in this discipline.
- Friday December 16th Brentwood, along with all of our neighboring departments were inundated with EMS calls as a result of icing conditions. There were numerous slip and fall calls all night long that kept crews very busy. I'm happy to say we did not have any employees injured as a result of the icing and call volume.
