General Fund Revenue

Total General Fund revenue through July is below 2015 but is at 62.46% for the 2016 budget. The General Fund expenditures are coming in below budget at 50.23% thus giving us a positive total net of over \$1.5 million for the fund. We can also expect an influx of revenue in November for ad valorem taxes. The following section provides detail information for the City's General Fund revenue.

Taxes:

Ad valorem tax revenue is posted to the General Fund in November. The amount represents the estimated revenue based on the adopted tax rates. Year to date sales tax revenue continues to be above 2015 and the 2016 budget at 59.76%. Utility tax revenue is lower than 2015 and also the 2016 budget at 41.23%. **The City's electric usage is down 8.6% from 2015 per the latest Ameren billing. The most recent LaCleve natural gas bills also indicate a reduction in usage. This could account for lower than expected utility revenues if this trend is city-wide.** Other tax revenue includes the road & bridge tax, financial institution tax, state motor fuel tax and cigarette tax. These taxes combined are well above 2015 and at 60.72% for the 2016 budget.

Miscellaneous:

The 2016 budget for miscellaneous revenue includes seizure funds, insurance settlements and other miscellaneous revenue items. **We are tracking at more than the budget coming in at 133.76%. This is due in part to several payments for DEA seizures we received in July that totaled nearly \$40,000. The budget for this line item was only \$10,000 thus the large spike in revenues for the month.**

These amounts were then charged to the Municipal Operating Expenses where the money was budgeted.**

Overtime Analysis

Overall city overtime is at 42.58% of the 2016 budget. Overtime expenditures are on target with the 2016 budget in total but some departments are above the 2016 budget. We expect all overtime to level out during the remainder of the year as much of the overtime is attributable to holidays, snow removal, vacancies, and authorized leave granted to employees. It is important to note that a portion of the Police overtime is funded by the DEA. **There was the anticipated increase in overtime in the Police department as mentioned by the Chief in previous meetings. In fact, overtime in July was the highest for any month in 2016.**
