

The City of Brentwood Parks and Recreation Department

invites you to a

PUBLIC MEETING

Date: March 21st, 2017

Time: 6:00pm

Location: Brentwood Recreation Complex, 2505 S. Brentwood Blvd.

You are invited to provide input about the location of a dog park within the city of Brentwood. The Parks System Master Plan, approved in April of 2015, recommends a dog park at **Norm West Park**. A public forum is being held to determine if the Master Plan should be amended for a more suitable dog park location. Make your voice heard, share your opinions at this community meeting.

To suggest alternate dog park locations, please contact Eric Gruenenfelder, Director of Parks and Recreation at egruenenfelder@brentwoodmo.org before March 14.
