

McKnight Road Traffic Study

PUBLIC COMMENT FORM

We want to hear from you!

WHAT: The Cities of Ladue and Brentwood are currently working jointly on a traffic study for McKnight Road between I-64 and Litzsinger Road.

WHY: In response to resident concerns about access and safety, the Cities hired CBB, who serve as both Cities on-call traffic engineer, to investigate traffic flow, access convenience & safety issues and to identify potential solutions.

HOW: CBB and the Cities have recently gathered data regarding existing traffic levels and current transportation patterns. This information will be combined with your input and used in developing a solution that enhances our community!

GET INVOLVED:

In person: Attend the public open house meeting hosted by the Cities on **Wednesday, May 15th, 2019 from 4:30 to 6:30 pm at the Tilles Park Windegger Shelter**. At this meeting, we encourage you to voice your concerns and ask questions. The meeting is open house style with no formal presentation.

In writing: Please submit your comments on this form to Ms. Anne Lamitola, Director of Public Works in Ladue, at Ladue City Hall (9345 Clayton Road, Ladue, MO 63124). Forms can be dropped off, sent via e-mail to alamitola@cityofladue-mo.gov Forms will also be collected at Brentwood City Hall, attention Ms. Bola Akande (2348 S. Brentwood Boulevard, Brentwood, MO 63144).
