ADDENDUM

Effective June 15, 2020, the St. Louis County is following the guidance of the Department of Public Health Order for Amended Business and Individual Guidelines for Social Distancing and Re-Opening Order effective June 1, 2020. These guidelines may be replaced or modified by DPH based on new scientific information and local information.

COVID-19 is an extremely contagious virus that spreads easily through person-to-person contact. Participating in Brentwood Parks and Recreation Department leagues and programs or accessing the City of Brentwood facilities could increase the risk of contracting COVID-19.

Participants agree, acknowledge and understand that although the City of Brentwood in no way warrants that COVID-19 infection will not occur through participation in Brentwood Parks and Recreation Department leagues and programs or accessing the City of Brentwood facilities.

Failure to comply with all applicable guidelines, protocols, and preventative measures related to COVID-19, including but not limited to the guidelines issued by the CDC, DPH and St. Louis County, may result in the immediate removal from league and forfeiting any fees associated with registration.

By signing this addendum, all participants are accepting the inherent risks in participating in high contact frequency sports where social distancing is not possible and there is physical contact with other athletes.
